Structured Learning Path

## Why Take This Class?

Get comprehensive, up-to-date training that's organized and structured for maximum learning efficiency.

## Free YouTube Videos

- Videos get outdated quickly as Claude Code updates
- Scattered, unorganized content across channels
- No structured learning path or progression
- Missing critical context and advanced features
- Spend hours figuring out best practices

## This Class

- Always up-to-date with latest Claude Code features
- Comprehensive, structured curriculum from basics to advanced
- Step-by-step guided learning path that builds on itself
- Complete coverage of all features and best practices
- Everything you need in one organized place
